A Message from Oban

It gives me much pleasure as Convener of the Royal National Mòd Local Committee (LOC) to welcome Gaels and supporters of Gaeldom for the 16th time to Oban, Creathal a' Mhòid.

An Oban Mòd is always special, not only because of our facilities for the competitive side of the occasion but also for the social side. The hotels, catering establishments, public houses and local retail businesses know what a Mòd is about and you will sense this when you arrive. We will endeavour to do all that we can to make this a truly memorable experience for you.

I have the backing of a very lively LOC and we are currently looking at the feasibility of boosting the number of Junior Competitors by putting tutors into the local Secondary School and the Primary Schools which feed it. It would appear as though other organisations are of the same mind and we look forward to working with them to further the aims of An Comunn Gàidhealach in our locality in this way. A vital feature of this initiative will be to sustain any boost in local competitor numbers this year so that other National and Provincial Mods benefit in the future.

An Comunn Gàidhealach

Mòd 2014 a' Cruthachadh Còrr air £3.5 Millean

Tha rannsachadh air sealltainn gun chuir Am Mòd Nàiseanta Rìoghail 2014 £3,547,661 a-steach don chomhairsnachd ghnìomhachais ann an Inbhirnis – còrr air £1 millean nas àirde na targaid an tachartais.

Tha an aithisg, air a lìbhrigeadh le 'The Market Specialists' a' sealltainn gun tharraing an fhèis naoi-latha, a chaidh air adhart eadar 10-18 Dàmhair 2014 ann an Inbhirnis, còrr air 9000 neach-tadhail sònraichte, agus gun tāinig 78% dhiubh bho thaobh a-muigh a' bhaile-mhòir a thug aoigheachd dhith. Bha 67% ann an Inbhirnis a dh' aon ghnothach airson Am Mòd a fhrithealadh, agus bha 25% a' còmhnaidh ann am Prìomh-bhaile na Gàidhealtachd.

Is e An Comunn Gàidhealach a bhios a' cur an tachartas air adhart, agus is i an fhèis as cudromaille don Ghàidhlig ann an Alba. Tha na h-àireamhan a' dearbhadh cho cudromach sa tha Am Mòd, chan ann a-mhàin ann am miòsachan cultarail na h-Alba ach don eaconomaidh aice cuideachd, oir thuirt 74% den luchd-frithealaidh nach biodh iad air turas a thoirt don àite tron t-seachdail sin, mura biodh gun robh an fhèis ann.

Tha Am Mòd a' faighinn aoigheachd ann am baile no baile-mòr eadar-dhealaichte gach bliadhna agus tha seo chan ann dìreach gus a bhith a' toirt daoine an sàs ann an dualchas na Gàidhlig, ach cuideachd gus spionnadhl a thoir don eaconomaidh ionadail. Tha na co-dhùnaidhean bhon fhèis ann an 2014 a' sealltainn gu robh teachd a-steach mòr ann bho thasgadh Chomhairle na Gàidhealtachd san tachartas, le £19 ga chosg anns an sgìre riaghlaidh aca fa chomhair gach £1 a chuir iad a-steach, agus gun dh' èirich seo gu £25 aig ire ionadail fa chomhair gach £1 a chuir iad a-steach.

Bha am feàsteas 2014 na phrìomh thachartas am measg na bha a' comharrachadh Tilleadh Dhachaigh na Gàidhealtachd agus chomharrach seo an tachartas a' tilleadh a dh' Inbhirnis mar sgìre aoigheachd às deidh 17 bliadhna; agus bha a' bhuaidh aige gun samhail. Fhuair taighean-òsta, taighean-bidh agus bùithean a' bhaile-mhòir buannachd às leis gu robh 60% de luchd-frithealaidh a' fuireach ann an taigh-òsta, taigh-aoigheachd, àite-fuirich air mhàl no òsdail, agus an ùine fuirich cuibheasach do luchd-aoigheachd fad-oidhche aig ire 4.2 latha. Bh' innis 62% de luchd-frithealaidh na fèis gun robh iad anns na bùithean co-dhiù aon uair (25% ag ràdh "a' mhòr-chuid de làithean") agus 59% a' tadhail air taighean-seinnse co-dhiù aon uair (24% ag ràdh "a' mhòr-chuid de làithean") agus bha 86% ag ithe a-muigh co-dhiù aon uair (55% ag ràdh "a' mhòr-chuid de làithean").

Chaidh 200 farpais air adhart aig àm a' Mhòid, agus chuir faisg air 100 tachartas air an lomall ris a' bheothalachd a bha ann an Inbhirnis. Chaidh bùthan-obrach, leughaidhean-leabhair, seiseanan thig is feuch, cuirmean is cèiliúidhean air adhart aig gach àm de latha is oidhche air feadh Priomh-bhaile na Gàidhealtachd. Thàinig luchd-tadhail bho air feadh na h-Alba, na RA, Canada agus eadhon na United Arab Emirates

Mar thoradh air an fhaireachdainn, thuirt 61% gu robh "beothalachd" na fèise "gu mòr nas àirde" no "nas àirde" na bha dùil aca agus thuirt 59% gu robh Inbhirnis mar bhaile-mòr a' cheart cho drùiteach, agus an aon cheudad a' nochdad gun tigeadh iad air ais chun bhaile-mhòir san àm ri teachd airson saor-làithean/uine ghoirid, Thuri 16% eile gur dòcha gun déanadh iad sin.

Thuirt Iain Moireasdan, Àrd-oifigear a' Chomuinn Ghàidhealaich: "Tha sinn uamhasach toilichte leis an aithisg seo, gu sònraichte leis gun nochd i gu robh 37% de luchd-frithealaidh ag ionnsachadh no ag iarradh Ghàidhlig ionnsachadh agus tha sinn airson an àireamh sin fhaicinn a' fàs. Tha seo a' dearbhadh luach an tachartais agus an toradh a dh' fhaodadh a bhith aige do bhailean-mòra aoigheachd, luchd-maoineachaidh is buidhean-taic malairteach eile - tha sinn a' cur luach mhòr nan cuid taic agus feum againn gu lean e. Dh' fhaodadh gum biodh an toradh seo air a bhith na b' àirde buileach nam biodh sinn air maoineachadh a bharrachd fhaighinn agus tha sinn a' coimhead air adhart ri bhith a' faighinn thairis air na cnapan-stara a tha ga dhèanamh duilich dhuinn taic ionmhais fhaighinn don Mhòd bho, gu sònraichte, Alba Chruthachail, oir chan eil e air a bhith comasach dhuinn a-riamh an cuid taic fhaighinn. Feumaidh mi an cothrom seo a ghabhail gus taing a thoirt do Chomhairle na Gàidhealtachd, còmhla ri ar buidhean-taic dileas, ar comataidh ionadail ann an Inbhirnis agus a h-uile neach-obrach saor-thoileach a bha a' strì gus déanamh cinnteach gum biodh 2014 cho sònraichte math, ach taing cuideachd don h-uile duine a thàinig gu bhith nan farpaisich agus gus na tachartasan againn a frithealadh - a-nis air adhart chun Òban ann an 2015, agus tha mi a' coimhead air adhart ri ur faicinn an sin".

Thuirt Martin Dorchester, Manaidsear Riaghlaidh CalMac, prìomh bhuidheann taic malairteach a' Mhòid: "Tha sinn a-riamh air a bhith mothachail gu bheil Am Mòd a' toirt buaidh mhòr eaconamach air na sgìrean anns a tèid a chumail cho math ri bhith na thaisbeanadh luachmhor airson cànan is cultar na Gàidhlig. Bu chòir meal an naidheachd a chuir air a h-uile duine a bha an sàs ann am Mòd Inbhirnis airson an cuid saothair agus tha mi cinnteach gum bi iad air an dòigh nuair a gheibh iad a-mach gun chuir an obair mhòr aca uidhir a-steach don eaconomaidh ionadail."

Thuirt Pròbhaist Inbhirnis, an Comhairliche Ailig Greumach: "Bha e na thoileachas mòr dhuinn aoigheachd a thoirt do Mhòd Nàiseanta Rìoghail 2014 ann an Inbhirnis. Tha soirbheachas mòr an tachartais ire cruinneil seo a' dearbhadh gu soilleir buannachdan eaconamach na Gàidhlig a bharrachd air a bhith a' cur cuideam air a' bhuaidh chultarail is dhualchais a tha cho cudromach don Ghàidhealtachd. Is e flor àite math a th' ann an Inbhirnis airson tachartasan is feisean nàiseanta leis gu bheil e cho bàidheil, cho goireasach a thaobh siubhal, cho làn de dh' àiteachan fuitrich agus cho aoigheil agus an raon sùbaile a th' ann de dh' àiteachan goireasach. Tha an aithisg seo a' daingneachadh comais Priomh-bhaile na Gàidhealtachd airson a bhith a' toirt aoigheachd do thachartasan nàiseanta is eadar-nàiseanta agus bidh sinn ag obair gus tuilleadh a bharrachd a thàlahd don Ghàidhealtachd. Tha sinn air-leth toilichte gun do chuir taic a' phobaill agus taic na Comhairle uidhir de theachd a-steach sònraichte don bhaile-mhòir. Tha seo air a bhith na buannachd dha solaraichean àite-fuitrich, taighean-bidh is bùithean agus thàinig àrdachadh cuideachd anns an àireamh de dhaoine a bha a' tadhail air diafar àiteachan aig àm sa bhliadhna far nach bidh uidhir de dhaoine an làthair. Tha e cuideachd ionchaidh a chomharrachadh gun chruthaich am Mòd fior dharsaingeachd de chraoladh adhartach 'sna meadhanan gu nàiseanta don bhaile-mhòir agus don sgìre mun cuairt. Às deidh aoigheachd a thoirt don Mhòd san Dàmhair agus do Dhuaisean Thraidiseanta na h-Alba san Dùblachd, tha sinn a-nis a' coimhead ar adhart ri bhith a' toirt aoigheachd do dh' Phèis nam Meadhanan Ceilteach sa Giblean!"

Thuirt Ceannard Bòrd na Gàidhlig, Iain Aonghas MacAoidh: "Tha sinn toilichte gu bheil ar cuid tasgaidh anns a' Chomunn Ghàidhealaich na buannachd chan ann a-mhàin don Ghàidhlig, ach cuideachd a' cruthachadh fior buannachdan eaconamach ge bith càite am bi am Mòd a' dol. Tha seo na thuilleadh dearbhadh air buannachdan deimhinnt sòisealta is eaconamach na Gàidhlig mar a dhearrbh an sgrùdadh a cho-mhaoin sinn le IGE, a' nochdad gum faodadh luach de dh' àireamh eadar £81.6m is £148.5m gach bliadhna a bhith innte do dh' eaconomaidh na h-Alba."

Thuirt Micheal Cantlay, Cathraiche VisitScotland: "Is e Am Mòd Nàiseanta Rìoghail aon de na prìomh thachartasan a tha sa phasgan bliadhna agaibh de thachartasan cultarail, agus tha an rannsachadh seo a' dearbhadh cho cudromach sa tha e do dh' eaconomaidh luchd-turas. Tha an tachartas a' tàlahd àireamhan mòra de luchd-turas gach bliadhna, a tha an uairsin a' cur airgead a-steach do ghnìomhachasan ionadail agus do choimhairsnachdan air feadh na dùthcha. Tha dàimh fad-ùine againn leis a' Mhòd tron sgioba stiùridh thachartasan againn EventScotland, agus ann an 2014 bha an tachartas cuideachd mar phàirt de phrògram mòr-thaitneach Tilleadh Dhachaigh na Gàidhealtachd, le ceudad àrd de luchd-turas bho thaobh a-muigh a' bhaile-mhòir agus bha e gu sònraichte misneachail gun deach ùidh a bharrachd a nochdad às a dheidh ann a bhith ag ionnsachadh na Gàidhlig."

A' toirt taic don Mhòd Nàiseanta Rìoghail ann an 2014 bha Comhairle na Gàidhealtachd, IGE, Caledonian Mac a' Bhruthainn, Bòrd na Gàidhlig, EventScotland, Banca Rìoghail na h-Alba, ÙTA, BBC ALBA, Riaghaltas na h-Alba agus Am Post Rìoghail.

An Comunn Gàidhealach

Mòd 2014 Generates More Than £3.5 Million

A study has shown that the 2014 Am Mòd Nàiseanta Rìoghail (The Royal National Mòd) generated £3,547,661 to the business community in Inverness – over a £1million more than the event target.

The report, delivered by 'The Market Specialists' shows the nine day festival, which took place from 10-18 October 2014 in Inverness, entertained over 9000 unique visitors, 78% of which came from outside the host city. 67% were in Inverness with the sole purpose of attending The Mòd, while 25% lived in the Highland Capital.

Organised by An Comunn Gàidhealach, the event is the most significant of the Gaelic language in Scotland. The figures are testament to The Mòd's importance, not only to Scotland's cultural calendar but to its economy too, as 74% of attendees revealed they would not have taken a trip during that week, had it not been for the festival.

The Mòd is hosted in a different town or city every year and this is to not only engage more people in Gaelic culture, but also to boost the local economy. Findings from the 2014 festival show there was huge return on Highland Council's investment in the event, with £19 spent for every £1 invested in their governing area and this rose to £25 for every £1 invested at a local level.

The 2014 festivities were a signature event of the Highland Homecoming celebrations and saw the return of Inverness as a host area after 17 years; and its impact was unprecedented. The city's hotels, restaurants and shops benefited with 60% of attendees staying in a hotel, guest house, rented accommodation or hostel with the average length of stay for overnight guests being 4.2 days. 62% of festival goers reported going shopping at least once (25% on "most days") while 59% visited pubs at least once (24% "most days") and 86% ate out at least once (55% on "most days").

200 competitions took place during The Mòd, whilst almost 100 Fringe events added to the electric atmosphere in Inverness. Workshops, book readings, come and try sessions, concerts and gigs took place morning, noon and night across the Highland Capital. Visitors came from across Scotland, the UK, Canada and even the United Arab Emirates

The atmosphere saw 61% say the "buzz" of the festival was "well above" or "above" expectations and 59% said Inverness as a host city was also as impressive, with the same percentage indicating that they would definitely come to the city for a future holiday/short break, another 16% said they would possibly do so.

Says John Morrison, chief executive of An Comunn Gàidhealach: "We are absolutely delighted with this report, especially as it unveiled 37% of attendees are learning or want to learn Gaelic and we want to see that figure grow. It confirms the value of the event and the return it can have for host cities, other funders and commercial sponsors - their support is hugely valued and we need it to continue. This return may have been even greater had we received additional funding and we look forward to over-coming the obstacles that make it difficult for, in particular, Creative Scotland to financially back The Mòd, as we have never managed to secure their support. I must take this opportunity to thank Highland Council, together with our loyal sponsors, our local organising committee in Inverness and all our volunteers who worked so hard to make 2014 so special, but thanks especially to everyone that came to compete and attend our events - here's to Oban in 2015, I look forward to seeing you all there".

Martin Dorchester, Managing Director of CalMac, the Mod's principal commercial supporter, said: "We have always recognised that the Mod has a significant economic impact on the areas in which it is held as well as providing a valuable showcase for Gaelic language and culture. Everyone involved in the Inverness Mod is to be congratulated for their efforts and will be, I am sure, delighted to know that their hard work has contributed so much to the local economy."

The Provost of Inverness, Councillor Alex Graham said: "We were delighted to host the 2014 Royal National Mod in Inverness. The outstanding success of this world class event clearly demonstrates the economic benefits of Gaelic as well as highlighting the hugely important cultural and heritage impact for the Highlands. Inverness is an ideal location for national events and festivals due to its welcoming nature, its connectivity, its excellent accommodation and hospitality and the flexible range of venues we can offer. This report reinforces the Highland Capital's capacity to host national and international events and we will work to attract many more to the Highlands. We are very pleased that the public and the Council's support generated significant income for the City. This has benefitted accommodation providers, restaurants and shops and also increased the footfall in various venues during what is traditionally an off-peak time in the season. It is also important to highlight that the Mod generated extensive and positive national media coverage for the City and surrounding area. Having hosted the Mod in October and the Scottish Trad Awards in December, we are now looking forward to hosting the Celtic Media Festival in April!"

Bòrd na Gàidhlig Ceannard (CEO), John Angus MacKay added: "We are pleased that our investment in An Comunn Gàidhealach not only benefits the Gaelic Language, but also creates major economic benefits wherever the Mòd goes. further highlights the proven social andof Gaelic asresearch which we jointly funded with HIE, the language has a calculated potential value of between £81.6m to £148.5m a year to the Scottish economy."

Mike Cantlay, Chairman of VisitScotland, contributes: "The Royal National Mòd is one of the highlights of our annual portfolio of cultural events, and this study underlines its importance to the visitor economy. The event attracts huge numbers of visitors every year, which injects money into local businesses and communities across the country. We have a longstanding relationship with the Mòd through our events directorate EventScotland, and in 2014 the event was also part of the spectacular Highland Homecoming programme, with a high percentage of visitors from outwith the city and a subsequent increased interest in learning Gaelic particularly encouraging."

In 2014 The Royal National Mòd was supported by Highland Council, HIE, Caledonian MacBrayne, Bòrd na Gàidhlig, EventScotland, the Royal Bank of Scotland, SQA, BBC ALBA, the Scottish Government and Royal Mail.

CÙRSA ÀRAINNEACHD GÀIDHLIG ANNS AN ÒGMHIOS AGUS SAN LÙNASTAL

Bidh an cursa àrainneachd Gàidhlig 'Àrainneachd, Cànan is Dualchas' a' ruith ann an dà leth am-bliadhna – san Ògmhios agus san Lùnastal. Tha an cursa air a chumail ann an Stafainn, ann an ceann a tuath an Eilein Sgitheanaich, le Urras an Taobh Sear. 'S e an craoladair is neach-teagaisg Ruairidh MacIlleathain a tha ga stiùireadh, le taic bhon eòlaiche-fosailean Dùghall Ros, agus Sìne Ghilleasbuig, a tha fior eòlach air ainmean-àite an Eilein. Bidh oilleanaich, a tha uile fileanta ann an Gàidhlig, a' tighinn bho air feadh Alba.

Tha na h-òraidean air an cumail aig Columba 1400 ann an Stafainn, agus bithear a' toirt nan oileanach a-mach gach latha gu diofar àrainnean, gus an ionnsaich iad mu na lusan is ainmhidhean tro mheadhan na Gàidhlig. 'Tha an cursa feumail do mhaoir-dhùthcha, luchd-iùil nam beann, tidsearan, luchd-ealain, luchd-saidheans, oifigearan Gàidhlig, agus feadhainn a tha an sàs ann an turasachd,' tha Ruairidh ag ràdh. 'Bidh iad ag ionnsachadh tòrr mu dhualchas na Gàidhlig co-cheangailte ri làdar, agus gheibh iad misneachd an t-eòlas ùr aca a chur gu feum le daoine eile. Chan eil cursa eile sam bith de a leithid seo ann an saoghal na Gàidhlig.'

Am-bliadhna, bithear a' cumail a' chiad còig latha dhen chùrsa bho Dhiliuain 15 gu Dihaoine 19 Ògmhios, agus iad a' toirt sùil air 'Croit, Coille, Monad is Boglach'. Air an dàrna seachdain, eadar Diluain 3 agus Dihaoine 7 Lùnastal, bithear ag ionnsachadh mu 'Cladach, Croit & Coille'.

'Bidh rud beag anns a' chumantas eadar an dà sheachdain – agus bheir sin cothrom do chuid an t-eòlas a fhuair iad sa chiad sheachdain a dhaingneachadh – ach bidh na h-òraidean eadar-dhealaichte agus bidh sinn a' dol gu diofar àiteachan. Dhaibhsan aig a bheil ùidh sa chladach, bidh sinn a' toirt sùil air sin a-mhàin san dàrna seachdain.'

GAELIC ENVIRONMENT COURSE TO RUN IN JUNE AND AUGUST

A unique education course that concentrates on the Gaelic heritage associated with nature and the environment will be held this year in two separate weeks in June and August. The ten-day course, ‘Arainneachd, Cànan is Dualchas’ (environment, language and heritage), which ran successfully over the last two years, is hosted in Staffin in the north of Skye by Urras an Taobh Sear, and is presented by journalist, broadcaster and educator Ruairidh (Roddy) Maclean, with input from local fossil expert Dugald Ross and Sine Ghilleasbuig who has extensive knowledge of Skye place-names. Students, who are all fluent Gaelic-speakers, have attended from all over Scotland.

Lectures are held at Columba 1400 in Staffin, and regular excursions take students into a range of environments so that they learn to recognise plants, animals and habitats by their Gaelic names. ‘The course is useful to rangers, mountain leaders, teachers, artists, scientists, Gaelic officers and people involved in tourism,’ explains Ruairidh. ‘They learn a lot about the fantastic Gaelic heritage associated with nature, and they develop the confidence to use this new knowledge with others. It’s a unique course in the Gaelic world.’

This year the first five days of the course will be held from Monday 15 to Friday 19 June and will concentrate on ‘Croit, Coille, Monadh is Boglach’ (croft, woodland, hill country and bogland). The second week will be from Monday 3 to Friday 7 August and will look at ‘Cladach, Croit & Coille’ (seashore, croft and woodland).

‘Students are invited to come for one week or for both,’ says Ruairidh. ‘There will be a small amount of overlap between the two – and some students will appreciate the opportunity to revise what they learned a few weeks earlier – but the lectures will cover different material and the excursions will be to different places. For those interested in the seashore, that will be a focus only of the second week.’

The course will include meals and accommodation with local Gaelic-speaking families. More information is available from Sine Ghilleasbuig at sineg@cnag.org (phone 01470 562325) or on <https://acisd.wordpress.com/>.

Togalach ùr SMO gu bhith air ainmeachadh air Sir Iain Nobail

Tha a' chiad togalach ann an Leasachadh na Cille Bige gu bhith air ainmeachadh air Sir Iain Nobail nach maireann, fear a bha gu mòr an sàs ann a bhith stèidheachadh na Colaiste o chionn còrr is 40 bliadhna. 'S e "Ionad Iain Nobail" a bhios air an togalach ùr a tha gu bhith na dhachaigh do luchd-obrach na colaiste, na ghoireas teagaisg agus rannsachaidh agus na ionad airson gnothachais.

Thubhaint am Morair Minginis, Cathraiche Bòrd Stiùiridh na Colaiste: "Tha e uile-gu-lèir iomchaidh gum biodh an togalach ùr a tha seo – a' chiad cheum ann an leasachadh na Cille Bige – air ainmeachadh air Iain Nobail. Mura b' e Iain cha bhiodh leithid de rud ri Sabhal Mòr Ostaig ann agus cha bhiodh dad dhen bhuannachd smuaineachail a tha air tighinn gu Ceann a Deas an Eilein Sgitheanaich an cois na Colaiste air tachairt. Ach tha e freagarrach ann an dòigh eile cuideachd. 'S ann mu dheidhinn ùrachadh, ath-bheothachadh agus adhartas a tha a' Chill Bheag: na dearbh rudan dhan do choisrig Iain a bheatha nuair a thàinig e a Shlèite. Mar sin, bidh an togalach na shuaicheantas air an duine."

B' ann air sgàth lèirsinn agus oidhirpean Shir Iain a chaidh Sabhal Mòr Ostaig a chur air bhonn ann an 1973, a tha a-nis na Cholaiste Ghàidhlig a tha a' tabhann ghrunn chùrsaichean aig ère fo-cheum is for-cheum tro mheadhan a' chànan. Choisinn Sir Iain clù dha fhèin na bheatha mar bhanciar, neach-gnothaich agus neach-gniomhachais, ach air a' Ghàidhealtachd's dòcha gur e as moth a bhios cuimhne aig daoine air, an obair a rinn e a thaobh na Gàidhlig.

Thuirt bantrach Shir Iain, a' Bhaintighearna Lucilla Nobail: "Tha e a' toirt toileachas mòr dhomh gur e Ionad Iain Nobail a bhios air a' chiad togalach ann an Leasachadh na Cille Bige. Tha fios agam gum bi seo na adhbhar tlachd do charaidean Iain, an seo agus air feadh an t-saoghail. Bha aige ri aghaidh a chur ri iomadh dùbhlann ann a bhith stèidheachadh Sabhal Mòr Ostaig, agus bha e ag obair agus a' strì gus cànan, dualchas is foghlam na Gàidhlig a thoirt air adhart fad a bheatha. Mar sin, tha e gu math iomchaidh gum mair ainnm Iain mar phàirt den Cholaiste fhèin cho fad's a tha i ann. Guma fada a mhàireas Sabhal Mòr Ostaig!"

Thèid Ionad Iain Nobail fhosgladh gu h-oifigeil nas fhaide air a' bhliadhna, fhuaras taic-airgid le cosgaisean £6.2m airson lìe 1 den leasachadh aig a' Chill Bhig bho Chomhairle Mhaoineachaidh na h-Alba, Riaghaltas na h-Alba, Mhaoin Leasachaidh Roinnean na h-Eòrpa (Convergence) aig an Aonadh Èòrpach, Iomairt na Gàidhealtachd is nan Eilean, Chomhairle na Gàidhealtachd agus Urras Leasachaidh Sabhal Mòr Ostaig, a tha a' gabhail a-steach Maoin na Gàidhealtachd a chleachd a bhith ann agus Urras na h-Aiseirigh.

Ionad Iain Nobail

SMO building to be named in memory of Sir Iain Noble

The first building in the new Kilbeg Development is to be named in memory of the late Sir Iain Noble, who was instrumental in the establishment and early development of the College. The new centre will be called "Ionad Iain Nobail", the Iain Noble Centre, which will house staff from the College and provide teaching and research facilities and business premises.

Lord Minginish, Chair of the College's Board of Directors, said: "It is altogether appropriate that this new building – the first phase of the Kilbeg Development – should be named after Iain Noble. Were it not for Iain there would be no such place as Sabhal Mòr Ostaig and the enormous benefits it has brought to the south end of Skye would never have happened. But it is also appropriate in another way. Kilbeg is about renewal, revival and progress: the very things to which Iain devoted his life when he came to Sleat. Thus the building will be iconic of the man."

It was through the vision and efforts of Sir Iain that Sabhal Mòr Ostaig was established in 1973. The college is now part of the University of the Highlands and Islands and offers courses in various subjects at undergraduate and postgraduate level all through the medium of Gaelic. Sir Iain was a successful merchant banker and businessman but is, perhaps, best remembered in the Highlands for his sustained and proactive support of Gaelic.

His widow, Lucilla, Lady Noble, said: "It gives me great joy to learn that the flagship building of A' Chill' Bheag is being named Ionad Iain Nobail. I know how much happiness this news will bring to all Iain's friends, both near and far. Given the challenges that he overcame in setting up Sabhal Mòr Ostaig, combined with his lifelong commitment and endeavour towards ensuring the future of the Gaelic language, culture and education, it will also be appreciated that Iain's name will continue in perpetuity at Sabhal Mòr Ostaig. Gu math fad a mhàireas Sabhal Mòr Ostaig!"

The new building will be officially opened later this year, and funding assistance towards the £6.2m cost of Phase 1 at Kilbeg has been provided by the Scottish Funding Council, the Scottish Government, the European Regional Development Fund (Convergence) of the European Union, Highlands and Islands Enterprise, The Highland Council and the Sabhal Mòr Ostaig Development Trust which incorporates the former Highland Fund and Urras na h-Aiseirigh.
